

Connecting you to Communities of Action
www.WiserEarth.org/Groups

A free online community space where people working on an issue can come together. Each group is offered a unique workspace where members can connect, post discussions, share resources and collaborate on projects. WiserEarth groups are already in use by more than 1,000 'communities of action'.

BENEFITS

We are free to use

There are no charges for using any of the tools provided and unlike other sites, your group is not cluttered with advertisements.

We offer similar tools to Yahoo! and Google Groups

Your group benefits from many of the standard tools offered by these popular sites.

We are part of the bigger picture

Your group becomes part of a larger social justice and environmental restoration network, allowing you to connect with others that share the same interests.

We make it easy

Quickly and easily invite and manage members, create customized layouts, share knowledge and build your network.

We're here to help

We offer an active on-line help desk and ongoing group support to make things even easier.

Puget Sound Community Change (PSCC)

Shop Locally, Share Locally

This group (home page) is focused on bringing more mindfulness to the marketplace and promotes shopping at locally owned and sustainability-minded businesses by rewarding customers and donating to their favorite causes. The program directs money to local non-profits and businesses and creates a way for citizen-consumers to make choices about their spending...[learn more](#)

Map

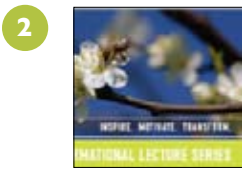

Show: Organizations | People | Pins | Events

1 Custom Branding
Use your organization or group's logo or any other picture at the top of your group page.

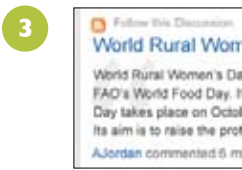

7 Search
Easily find information within your group by performing a quick keyword search.

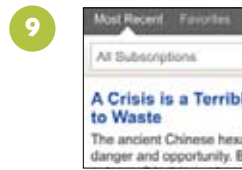

2 Video and Photos
Embed photos and YouTube, Google Video, and CurrentTV videos into Bulletin board modules.

8 Suggested Content
Take advantage of over 120,000 shared public records on WiserEarth such as organizations, resources, solutions, jobs, or events by adding them to your group.

3 Discussion Forum
Post interesting questions and headlines. Monitor with RSS feeds.

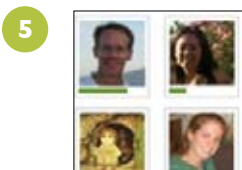

9 News
Subscribe to recommended news stories or syndicate RSS feeds such as your organization's blog or press releases.

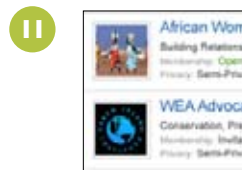

4 Events Listings
Schedule events, keep track of who is attending, upload related documents and reports.

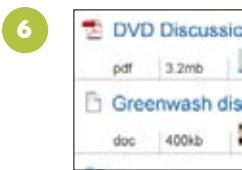

10 Network Visualizer
View a visual representation of your group's growing network.

5 Member Profiles
Each group member has their own profile with photo, basic information, and inbox.

11 Related Groups
Create sub-groups for particular interests, locations etc. Showcase connections to other groups.

6 File Library
Post any files you want to share, including videos, podcasts, PowerPoints, PDFs, docs, etc. A generous storage space of 1GB per group, and up to 50MB per file is provided. Upgrade options available.

12 Map View
Use this map to highlight the location of group members, related organizations, jobs, and events.

FAST FACTS

Simple Set-up

Use one of three pre-defined templates or customize your own group layout.

Quick invitations

Use your Gmail, Hotmail, AOL Mail, and Yahoo Mail accounts to invite people to your group. Keep track of invitations on a special dashboard.

Content Sharing

Easily share materials between groups, making it simple to administer multiple groups with similar aims.

Drag and drop customization

Rearrange group layout and rename group modules on the fly.

Privacy options

Set group to private (only group members can view and edit), semi-private (only group members can edit, anyone can view), or public (anyone can edit or view).

Membership Policy options

Choose between open (anyone can join), open to apply (a Group admin must approve), member referral, or invitation only.

Group Messaging

Send a message to all, or some, of your group members.

Data back-up

We take care of this for you and it's easy to revert to an earlier version of content.

USE POLICY

Non-commercial & Issue Based

We welcome groups with a focus on sustainability and/or social justice that look to overcome inequality or prevent environmental harm.

Services Offered at no cost

We are committed to providing these features and functions free to the user. As a nonprofit site, we will not sell or share any of your personal information with third parties.

Enhancements & Upgrades

We will continue to offer upgraded versions to meet the needs of different groups.

ABOUT US

WiserEarth is a comprehensive directory and networking forum that maps and connects organizations and individuals addressing environmental restoration and social justice issues. WiserEarth offers the tools needed to actively define, address and solve social and environmental problems. In addition to WiserEarth Groups, we offer:

WiserEarth Directory

The world's largest international directory of non-profits and socially responsible organizations (110,000+ in 243 countries, sovereign islands and territories)

WiserEarth Community

A growing and vibrant community of over 20,000 members making connections, sharing resources, solutions, jobs, and events

WiserEarth Taxonomy

The world's most detailed classification of issue areas related to social justice and environmental restoration
